

## Board Member Bio

### **Glen Salas, Treasurer**

We settled here because of the historic house we found, the quaint and welcoming neighborhood it's in, its proximity to Downtown & Old Town, and its central location to greater, beautiful New Mexico.

My vision is for DNA to help bring everyone in the nearby neighborhoods closer socially, to help local groups achieve their goals and to help achieve a vibrant Downtown.

Skills: communication, arts promotion, technical expertise in energy efficiency and housing
